

Greetings!

Welcome to the **month** of love-because just one day isn't enough!

Thank you again for the honor of being President of a terrific organization. We have a wonderfully varied set of programs and outings planned for the year. I hope you will get out there and take advantage of them.

For February, we have members of the New Mexico Symphonic Chorus singing the music you love. With the amazing acoustics in the Sanctuary, this will be a delightful program. I have it on good authority that the refreshments will be Valentine treats-yummy.

Please remember the collection for school supplies for teachers. A list of needed supplies has been sent out via email by the Community Service chairs. My apologies for not including Susan Craycraft as co-chair of Community Service in the Yearbook. A bone-head mistake.

Jim Delongchamp is interested in starting a hiking group and will have information and a sign-up sheet at Wednesday's meeting. A great chance to be outside in our beautiful countryside. I hope to be inspired to get off my duff!

Finally, the business meeting will be short-shooting for less than 15 minutes, so stick around, especially for Happy Dollars.

See you Wednesday,

Karen Cox, President.
