

Greetings!

Happy Spring! Really. Finally.

This month's program Tai Chi—a form of movement focusing on breathing, coordination and relaxation. (OK, I know how to breathe but the coordination thing for me seems to be a challenge!) We will learn some simple movements that can be done in the Sanctuary and, if there is time, move into the Fellowship Hall for more room. You don't have to wear your yoga outfit but you might leave the stilettos home.

The new member social is May 8 from 9-11 am at the library. Please come and welcome our new members and make new friends. Thanks to Ruth Clark for coordinating this.

No collection this month but next month the collection is for various agencies—diapers, wipes, children's underwear and socks.

On a sad note, Pastor Drew Henry is leaving Las Placitas Presbyterian Church and will be the new pastor at Immanuel Presbyterian in Nob Hill in Albuquerque. We all wish him well and appreciate his support of Jardineros.

See you Wednesday! Right now, I am headed outside for some dirt therapy. Watch out weeds—here I come!

Karen Cox, President.
