

Greetings!

Happy December!

I hope that you managed to stay safe and warm during the power outage! I'm so glad that it did not happen on Thanksgiving-can you image how many dinners would have been ruined? There is deep appreciation for the PNM crew that worked under such miserable conditions. Special note- do you know how warm and confining it is to sleep with 4-5 cats who want to be warm?

Our December meeting is the time to celebrate friends, food and the Outstanding Service Award recipient. Please join us to greet your fellow Jardineros, eat some yummy food and generally have a good time.

Just a reminder that we will be collecting toys, books (up to young adult), \$25 gift cards to Target or Walmart, wrapping paper and gift bags of all sizes, cash. Checks should be made out to Jardineros.

Please remember to:

- a. pay your dues,
- b. sign up for interest groups and committees,
- c. chose a month to provide refreshments (this is a great way to meet people-especially for new members.)

Thank you for a productive, engaging, collaborative and truly enjoyable year! You are the bomb!!

See you Wednesday,

Karen Cox, President.
