

Greetings!

Got tired of saying "no", got tired of saying "I don't know", got tired of not seeing all of you, got tired of WAITING!

So, thanks to the efforts of our wonderful VP, Jodi, we are having a Zoom meeting! Yea!! We will call this ***How to travel in the time of COVID-19--you don't have to leave home and you don't have to wear a mask.*** Jodi asked Al and Ginny Davis to give a presentation on their wide and varied travels. This will give us all a chance to see something besides the courtyard, the back yard, the kitchen, the TV.

I will host the Zoom meeting and send out an invitation. We have a subscription so the meeting can last as long as we want. Unfortunately we can only have 100 (!) people so don't be late. Please join us on *Wednesday, July 1st, at 9:30am*. Bring your coffee and snacks and we will do virtual hugs.

A big thank-you to all of you for supporting Watermelon Mountain Ranch. Your generosity always amazes me. Even more thanks to Jacque Moise, Cheryl Weber and Tina Thomas for coordinating the collection.

The overall consensus of the "survey" of proposed donations was "yes" to Zia Pueblo. I am working with Roadrunner Food Bank on the donation targeted for Zia Pueblo. As you can imagine, they have been impacted by greater demand, less goods available and the logistics of staffing.

The donation to the library was 90% positive but I would like to wait on it until we have more information on how much will be needed for the children's area. The library has received two (that I know of) generous donations for the children's area. You know who you are and I hope you give yourselves lots of pats on the back!

So, this is the new normal for awhile. Be patient, be kind, wear a mask, check on your neighbors, clean your closets, finish all of the UFOs, be grateful for the time to slow down and reflect on what opening back up will be like for you.

Looking forward to "seeing" you on Wednesday.

Karen Cox, President.
