

Interest Groups

Numerous smaller groups enable members to pursue their interests and enjoy the company of other members. Interest group

activities include wine tastings, area trips, healthy living, movies, gardening,

birding, money matters, photography, canasta, dining out, crafts, game nights, book discussion, and gourmet cooking.

Community Service

Our support of the community includes monetary donations to schools and agencies serving Sandoval County.

Opportunities for volunteer service are offered through our Community Services committee.

Members donate holiday toys, backpacks with school supplies, and coats for elementary and middle school kids,

create quilts for children at the domestic violence shelter, and clean up a mile of Hwy 165.
